- French
- German

Arne Fuchs focuses his practice on international dispute resolution, with an emphasis on international arbitration and public international law, including investment treaty arbitration. He has experience with disputes conducted under the ICSID Convention, ICC, LCIA, HKIAC, Swiss, DIS and UNCITRAL Rules, as well as pure ad-hoc arbitration. Arne also acts as (sole) arbitrator and has served as secretary of the tribunal in numerous international arbitrations (commercial and treaty). He is a Fellow of the Malaysian Institute of Arbitrators (FMIArb).

Arne is recognized as a dispute resolution specialist in GAR's inaugural 2017 edition of Who's Who Legal: Arbitration – Future Leaders as well as in the 2018 and 2019 editions where he is described as “*a very smart lawyer*”, “*phenomenally hard working*” and “*a prominent name in the investment arbitration space*”. The current issue of GAR 100 also highlights his outstanding arbitration expertise. Arne regularly speaks at international conferences and teaches training courses and workshops on dispute resolution. In 2017, he was appointed by the ICC International Court of Arbitration as Regional Representative for the Europe and Russia Chapter of the ICC YAF (with a 2017-2019 mandate).

Arne studied law at the University of Augsburg and obtained his Master of Laws degree from the George Washington University Law School in Washington, DC, where he focused his studies on public international law and international arbitration. He also successfully completed an advanced training program in German and International Arbitration at the University of Frankfurt.

Prior to joining the firm, Arne worked, inter alia, at the German Federal Ministry of Economics and Technology's division representing the Federal Republic of Germany before the European Courts and in the international arbitration practice group of another leading global law firm in Frankfurt am Main.
